Wireless, and Beyond

More than wireless transmission, AS 200E takes pride in a proprietary wireless charging technology, where a single charge brings 2-hour continuous scanning.

Wireless Charging

No cable or plugs, AS 200E gets charged right away when put back in the holder and activated instantly when taken out.

60-case Scanning per Charge

A full charge allows for a continuous scanning of 60 regular clinical cases, no in-between recharging needed.

Spare Battery

AS 200E ships with batteries. A spare battery placed in the holder to remove your worries even in the most urgent situation.

Small in Size, Huge in Potential

Ergonomically designed for a burden-free grip, only to minimize fatigue in clinical practice.

Pro Performance

AS 200E sets itself apart by combining speed, accuracy and stability in a hand piece so ready to empower your practice.

Smooth Transmission

AS 200E delivers ultra-fast and smooth data stream while keeping exceptional quality, for an undisturbed scan meters away from the screen.

High-speed Scan

Finish a full-arch scan in 20 seconds, with a scanner that boosts your efficiency by making everything simple and fast.

10TB Free Storage

Complimentary 10 TB cloud storage for every Alliedstar user. Finish, save and send, share the data with your labs and patients in no time.
